Bouquet Canyon Road section closed prior to storm

A section of Bouquet Canyon Road within Angeles National Forest will be closed Thursday, October 27, 2016, at 9 p.m., in advance of this week's predicted storm event. The 3.5-mile stretch of road is prone to flooding with even minor flow in adjacent Bouquet Canyon Creek. The road will remain closed as long as conditions warrant.

The closure will extend from approximately 2 miles north of Vasquez Canyon Road to 5.5 miles north of Vasquez Canyon Road. Gates will be locked near Mile Marker 15.97 near the southern boundary of Angeles National Forest, and on the north near Mile Marker 12.55, south of Big Oaks Lodge. There are no homes or businesses within the closure area.

Motorists are advised to seek alternate routes.
